

Third Light Open Source Software (OSS)				
The following license information applies to the software maintained by Third Light Limited. The following copyright statements and licenses apply to various open source software components (or portions thereof) that are distributed with these products. A Third Light product that includes reference to this file does not necessarily use all the open source software components referred to here and may also use components of a given component, or the entire open source components are distributed under licenses that require the source code and/or modifications to source code to be made available, you may obtain a copy of the source code corresponding to the binaries (for such open source components and modifications thereof) if any, (the "Source Code"), by sending a request, with your name and address to: Third Light Limited, 10 John's Innovation Centre, Cowley Road, Cambridge, Cambridgeshire, CB4 0WS, United Kingdom. All such requests should clearly specify: OPEN SOURCE FILES REQUEST. Third Light shall mail a copy of the Source Files to you on a CD or equivalent electronic medium. Source Files may accompany the Product or be readily obtained by following the references provided in this file.
